SSM 48780 - 2019-2020 Edge/Nautilus - Check Charging System Warning In Instrument Panel Cluster (IPC) With DTCs U012D, U042E, And/Or U0284

Some 2019-2020 Edge/Nautilus vehicles may exhibit a Check Charging System warning in the IPC or IPC message center with diagnostic trouble codes (DTCs) U012D, U042E, and/or U0284. To correct this condition, the Workshop Manual (WSM) Pinpoint Tests (PPTs) F and G have been updated for further diagnosis. Refer to WSM, Section 414-00.
