

SSM 50413 - 2021-2022 F-650/F-750 - Various Electrical Concerns - High Current Mega Fuse Array In The BJB Released For Service

Some 2021-2022 F-650/F-750 vehicles may exhibit various electrical concerns due to an open high current mega fuse array in the high current battery junction box (BJB). Service part LU5Z-14526-B has been released for service. It is no longer necessary to order the complete BJB to obtain these parts.
