2023 F-Super Duty - Remote Keyless Entry (RKE) Key/Keypad Programming

2023 F-Super Duty vehicles are not compatible with previous model year RKE keys and Ford Accessory keyless entry keypads. A different radio frequency is used on 2023 F-Super Duty vehicles than previous models. Do not attempt to program previous model year RKE keys or keypads to 2023 F-Super Duty vehicles.
