

## **SSM 51909**

### **Various Vehicles - 6R/TorqShift® (6HP26/6R60/6R75/5R110) Family Transmissions - MERCON® SP ATF Replaced By MERCON® LV ATF As A Service Fluid**

---

When performing any transmission fluid changes or topoffs involving MERCON® SP, MERCON® LV has replaced all versions of MERCON® SP and can be used going forward. Mixing MERCON® LV and MERCON® SP in the same transmission is acceptable. After 30-Jun-2023, MERCON® SP ATF will no longer be manufactured and will only be available until inventory depletes.
