SERVICE BULLETIN

SUBJECT:
Stored Diagnostic Trouble Codes (DTCs) Found During New Vehicle Preparation

MODELS:

2015   (BU)   Jeep Renegade (North America Markets Only)

NOTE: This bulletin applies to vehicles built for the North American Free Trade Agreement (NAFTA) Markets only.

DISCUSSION:
DTCs are stored when the dealer technician changes the vehicle from Logistics Mode to Customer Mode. No action is required by the technician at this time.

NOTE: Stored DTCs will auto erase after 40 plus ignition key cycles.

NOTE: Any time the vehicle changes from Logistics Mode to Customer Mode DTCs are stored.
