

MAZDA DEALER EMAIL

---

**TO:** Mazda Service & Parts Managers

**DATE:** June 28, 2019

**SUBJECT:** Part Availability for the 2014-2016 Mazda3 – Mazda Connect Touch Screen Concern Warranty Extension Program – Special Service Program (SSP) B6

Regarding the recently announced 2014-2016 Mazda3 – Mazda Connect Touch Screen Concern Warranty Extension Program – Special Service Program (SSP) B6 (eFC-I-19-00078), Mazda is facing supply delays due to supplier production limitations.

Mazda is working directly with the supplier to resolve the issue and will expedite supply as quickly as possible.

A subsequent announcement will be sent with timing details once the supply delay is resolved and owners of subject vehicles are notified.
