Instructions 19-042

FIG 1:

- Open the hood of the vehicle.

FIG 2:

- Locate the air cleaner just inside the hood (arrow).
- Inspect for a yellow mesh cover, and a blue plastic cover on the intakes to the air cleaner.

FIG 3 & 4

- When present, pull off the yellow mesh and blue plastic cover and discard.

Close the hood.

Jayco's sole obligation under our limited warranty is to repair or replace defective materials and/or workmanship deemed our responsibility as determined by Jayco at our sole discretion. Jayco reserves the right to use new and/or remanufactured parts or materials of similar quality to complete any work, and to make parts and/or design changes as appropriate without notice to anyone. Jayco designs and/or materials changes are done without obligation to incorporate such changes in previously manufactured product. Jayco makes every reasonable effort to ensure field remedies will not adversely affect performance and/or safety of the unit. This field remedy is not intended to extend to future performance of this RV, or any of its materials, components or parts beyond the standard warranty period. The RV owner's obligation to notify Jayco, or one of its independent, authorized dealers, of a claimed defect does not modify any obligation placed on the RV owner to contact Jayco directly when attempting to pursue remedies under state or federal law.
