

Preliminary Information

PIP5870 Information on 2023 L5P Oil Filter Change

Models

Brand:	Model:	Model Years:	VIN:		Engine:	Transmissions:
			from	to		
Chevrolet	Silverado 2500/3500	2023	All	All	6.6L (RPO L5P)	All
GMC	Sierra 2500/3500	2023	All	All	6.6L (RPO L5P)	All

Involved Region or Country	North America
Condition	A technician may see this new filter and look in the part catalog and SI for clarification.
Cause	2023 L5P engines are being made with a new oil filter, PF63.

Correction:

Even though the PF26 is listed in the part catalog and SI for this engine, either filter can be used on this engine. 2023 L5P engines are being made with a new oil filter, PF63.

GM Engineering recommends the use of the PF63 oil filter on all 2023 and newer L5P powered vehicles.

If a PF63 is not available, a PF26 can also be used. SI and the part catalog will be updated shortly.

Parts Information

Description	Part Number	Quantity
FILTER, OIL (SINGLE USE) (ACDelco #PF63)	12707246	1
FILTER, OIL (ACDelco #PF26)	12684038	1
