8.4.9.1 AUDIO/FACE PLATE EXCHANGE PROGRAM

Within the terms of the Basic New Car Warranty and one year Replacement Part Warranty, the Exchange Program provides for replacement of a defective audio chassis and/or faceplate with an exchange unit from the manufacturer. The manufacturer will supply an exchange unit, or a new unit in the case of a "New" and "In-stock" vehicle.

NOTE: DO NOT disassemble an In-Dash CD Changer to retrieve any lodged CD(s) prior to returning to the manufacturer. See Section 8.4.9.4 for the policy on returning the CD(s) to the customers.

Genuine Subaru audio systems are manufactured by Panasonic and Clarion. Audio visual navigation units are manufactured by Kenwood Corporation and Fujitsu Ten Corporation. In the event an audio chassis/faceplate requires an exchange, it is not necessary to remove the

8.4.9.2. REAR SEAT ENTERTAINMENT EXCHANGE PROGRAM

Genuine Subaru Rear Seat Entertainment systems are manufactured by Panasonic (Tribeca) and Myron and Davis (Legacy and Outback).

Within the terms of the Basic New Car Warranty and the one year Replacement Part Warranty, the Audio / Rear Seat Entertainment Exchange Program through Panasonic provides for replacement of a defective rear seat entertainment unit (DVD player only) with an exchange unit from the manufacturer. Headphones and Rear Seat Entertainment remote control units are orderable through the Subaru Parts Dept. and not covered by this exchange program. Myron and Davis will provide an electronics module that includes the LCD screen and integrated DVD player. Headphones and the remote control units are also orderable through the Subaru Parts Dept. and not covered by this exchange program. The manufacturer will supply an exchange unit, or a new unit in the case of a “New” and “In-stock” vehicle.

In the event a rear seat entertainment unit or module requires an exchange, it is not necessary to remove the unit from the vehicle. The procedures listed below should be followed:

- (1) The defective chassis should remain in the vehicle until the exchange unit is installed.
- (2) The applicable Service Center should be contacted by either by calling their toll free number or by faxing a legible copy of the Exchange Request Form.

The Panasonic Service Center may be contacted either by phone or by faxing a legible copy of the Panasonic Exchange Form (Section 17.15). The online Exchange Form is also found on Subarunet, under Service, then Forms. The Panasonic Service Center is open from 8AM to 8PM Eastern Time.

Navigation DVDs, notify the manufacturer at the time the exchange unit is requested that the DVD is lodged in the unit. A new DVD will be supplied with the exchange unit.

- (2) For all DVD/CD(s) other than Navigation DVDs, record a daytime telephone number where the customer can be reached and retain in customer's file.
- (3) Remove the defective unit from the vehicle and return it to the manufacturer. DVD/CD(s) that have been successfully removed by the manufacturer will be returned directly to the dealer within 10 calendar days. It is the dealer's responsibility to notify the customer when the DVD/CD(s) are returned.

In the event a DVD/ CD(s) has been damaged (except Navigation DVDs), the manufacturer will reimburse the customer through the dealer at \$15.00 per damaged CD or \$20.00 per damaged DVD. Panasonic will forward a check for this reimbursement to the dealer. The dealer must in turn reimburse the customer. Only commercially produced DVD/ CD(s) can be included in the reimbursement program.

8.4.9.5. SATELLITE RADIO EXCHANGE PROGRAM

Within the terms of the Basic New Car Warranty, and the one year Replacement Part Warranty, the Satellite Radio Exchange Program provides for replacement of a defective control module with an exchange module from the manufacturer. The manufacturer will supply an exchange unit, or a new unit in the case of a "New" and "In-stock" vehicle.

Genuine Subaru Satellite Radio Accessories are manufactured by Clarion. In the event the control module requires an exchange, it is not necessary to remove the unit from the vehicle.

The procedures listed below should be followed:

11.2.10 AUDIO COMPONENT OUT-OF-WARRANTY EXCHANGE / REPAIR PROGRAM

Vehicles outside the terms of the New Car Basic or Parts Warranties may utilize the Audio Exchange/Repair Program which is to be referenced as an “Out-of Warranty Exchange Program”. Subaru Added Security Gold Plus customers are entitled to this “out-of-warranty” exchange program when the failure meets the terms of the Agreement.

The out-of-warranty exchange program is intended to enhance customer satisfaction by providing a prompt exchange with a quality factory serviced audio unit which has been refurbished to the highest standards.

All out-of-warranty orders will be subject to availability. In case of low stock, “in-warranty” orders will take priority over “out-of-warranty” orders. In general, this program is for internal failures and does not include exchanges for damage (spilled liquid, scratches, etc.) Speak with the manufacturer to determine exchange eligibility.

Out of Warranty Exchange Program procedures are outlined below. Please have the following information available when contacting the Service Center.

- Dealer Code
- Dealer Name and Address
- VIN – All 17 Characters
- Date of Vehicle Sale
- Vehicle Mileage
- Caller’s Name and Telephone Number
- Claim Number
- Chassis Model Number, ID Code and/or the Subaru Part Number (Clarion requires the front faceplate ID Number)
