

	GROUP General	MODEL 2014~2015MY Soul (PS) with A/T Excl. Soul EV (PS EV)
	NUMBER PS319	DATE October 2014
 		
SUBJECT: WIRELESS CHARGER FOR QI [®] ENABLED DEVICES		

This article introduces a new genuine Kia Wireless Charger accessory that is now available for the 2014~2015MY Soul (PS). The wireless charger is compatible with any Qi[®] (pronounced “CHEE”) enabled device or a device with a Qi[®] enabled case. If unsure about compatibility with a specific device, look for the Qi[®] logo on the device (see image below) or have the customer check with their wireless carrier to ensure their device is Qi[®] capable.

NOTE: Prior to installation, place the mobile device on the rectangular box found on the back of the accessory box to ensure the device will fit properly on the charging pad.

Kia Wireless Charger (P/N B2H58 AP000)
