SERVICE BULLETIN

APPLICABILITY: 2015MY Subaru Vehicles
SUBJECT: 2015 MY Paint Coding Information

NUMBER: 13-97-14
DATE: 05/06/14

INTRODUCTION

Note: This is the most accurate information available at the time of printing.

Various paint manufacturers designate their own stock numbers and coding information although many of the major suppliers are now using the SOA paint codes to help eliminate possible confusion. Their color formulations are updated on a continual basis. Some vendors may have different color names than those provided to them by SOA. Be sure to double-check the codes and formulas beforehand to help insure an accurate color match. Should discrepancies arise, please refer your Body Shop contact inquiries to the specific paint vendor or their jobber / supplier for the most updated formula information.

The paint coding information can be found on the vehicle's VIN plate.

Subaru color codes are three characters in length.

For the 2015 Model Year, Subaru of America is announcing four new colors:

- **K3X Lapis Blue Pearl**
- **K4X Wilderness Green Metallic**
- **K1X Crystal White Pearl**
- **K7X WR Blue Pearl**

Along with these new colors, an all-new Legacy and Outback is being introduced to our line-up for 2015. The Legacy and Outback is expected to hit our Dealer's showrooms in the near future. This color information covers all current and the new models.
